# WEST GATE

This sheet belongs at the West Gate printer only.

**Expected destination:**

`\\USFTWPLVPS03\USFTWP_W_Gate_Pass`

Service: TruckLogPrintAgent

Windows host: USFTWLDAPP

Service account: LocalSystem / S-1-5-18

Release: V4R7 dual-printer service

This is a setup test, not a truck visit or a SAP document.

**Confirm the physical location before enabling RXO jobs.**

A successful program exit alone does not confirm paper came out.
Do not confirm a test delivered to the other gate.
